**Required deposits must be paid at the time service is established**. Accepted forms of payment are cash, check, money order and with an additional fee, Visa, Master Card, or Discover. The deposit amounts are as follows:

		Required Water Deposit	t	Required Gas Deposit
Residentia	I	\$150		\$200
Commercia	nl	\$300*		\$300*

<sup>\*</sup> Commercial properties require a minimum deposit of \$300 for water and \$300 for gas. These amounts may be adjusted based on anticipated utility consumption. Exact deposit amounts will be determined by Scottsboro WSG management upon request for services. After one year, WSG may re-evaluate consumption levels, which could result in a request to increase the deposit on file.

In the event a deposit payment is returned to Scottsboro WSG for any reason, utilities will be disconnected immediately, and checks will be forwarded to the Jackson County DA for collection.

Any **outstanding balance** discovered during the process of establishing an account **must be paid in full** at that time.
