Call 256-574-1744

*This offer is valid only from October 1, 2017 through December 31, 2017. Residential customers are responsible for the purchase and installation of new natural gas appliances(s). For existing customers, the appliance(s) must be installed and inspected before January 31, 2018. New customers must apply for service before December 31, 2017. All installations must be performed by an Alabama Licensed Gas Fitter and comply with gas piping codes. Participants must provide a valid receipt for the new appliance(s), as well as, allow a visual inspection by Board personnel. All participation criteria must be met in order to receive the rebate. Used natural gas appliances do not qualify for a rebate.
