

Smell Gas? Act Fast!

Natural gas is a colorless, odorless fuel, but for safety reasons, a chemical odorant, sometimes described as a “rotten egg” smell is added, making the presence of natural gas detectable.

If you smell this odor:

- Alert others and leave the area immediately
- Leave the door open as you exit
- Do not operate electric lights or other equipment such as telephones, cell phones, or flashlights
- Use a phone away from the area and call **Scottsboro Water, Sewer and Gas Board** at **256-574-1744**.

Natural gas odors should be reported right away.

If you smell natural gas, call **Scottsboro Water, Sewer and Gas Board** at **256-574-1744**.
